

## Children at Weddings

1C

In order to allow all guests, including parents, an evening of relaxation we have chosen for our wedding day to be an adult only occasion. We hope this advance notice means you are still able to share our big day and will enjoy having the evening off!

2C

Children at the ceremony, we'd love them on the scene. Reception time, however, is an adult's only theme.

3C

To give all our guests the opportunity to let their hair down and have a good time without having to worry about little eyes and ears we politely request no children.

4C

While we love to watch the children run and play, this is an adults only kind of day.

5C

Our budget and venue cannot accommodate children outside the family. We hope that you will see this as an opportunity to enjoy an adult day, let your hair down and enjoy the party with us!

6C

Due to the guest number restriction at our venue, we are unable to extend this invitation to your children. We hope that you will see this as an opportunity to enjoy an adult day, let your hair down and enjoy the party with us!

7C

X seats have been reserved in your honour. (On the RSVP card)

8C

Due to limited numbers we hope you appreciate that children are only invited if named on the invitation

9C

Regrettably our chosen venue is unable to accommodate children

10C

Unfortunately, as much as we'd like to invite all our friends' children, it is only possible to accommodate children of close family. We hope that you will understand this decision and we very much hope you will still be able to join us on our special day.

11C

To give all our guests the opportunity to let their hair down, without the worry of little eyes and ears, we respectfully request no children at the wedding or reception.

12C

Although we love your little cherubs, we kindly request that our wedding remains adults only. So book a sitter and dust off those dancing shoes!
