

Gift Messages

G1

We've lived together quite a while with all our pots and pans,
and as we don't need homely gifts, we've got another plan!
We know it's not traditional but an awful lot more fun,
to have items on our wedding list to help us catch some sun!
So, if you'd like to give a gift and send us on our way
a donation to our honeymoon would really make our day!!

G2

We made a commitment, some time ago,
Together through life, we were destined to go.

To save you looking, shopping, and buying,
Here is an idea, we hope you'll like trying!

Come to our wedding, to wish us both well,
And please make a donation to our wishing well.

G3

When thinking of a gift for us, we ask if you'd please consider
contributing to our honeymoon, to make it all the sweeter.
Our house is full of all the things, a couple could require,
and so a holiday away, is what we most desire.
Then while we're relaxing on the beach, or by the pool so blue
we'll sit back and know, that it is truly thanks to you!

G4

If you're thinking of giving us a gift, to help us on our way,
a gift of cash towards our honeymoon, would really make our day.
Then while we're relaxing on the beach, or by the pool so blue,
we'll sit back and know that it's truly thanks to you!

G5

As Love is what the night is all about,
Your presence is one we can't celebrate without.
But should you still believe that a gift is worth giving,
a small envelope for our future is a delightful blessing.

Alternative: replace night with day

G6

The Occasion of our Marriage Is a Precious Time to Share
With Family, Friends & Loved Ones So We Hope That You'll be There.
We Do Not Ask You Bring a Gift But if You Feel The Need,
A Little Bit of Money Would be Very Kind Indeed.
Please Don't Feel Obligated Though, Please Don't Feel You Must,

Just the Pleasure of Your Company Would Mean the World to Us!

G7

We've lived together for quite a while, with all our pots and pans,
And as we don't need homely gifts, we have another plan!
We know it's not traditional, but it's easier that's for sure,
To have no wedding list at all, your attendance means so much more!
For those of you who do insist, we have a savings pot,
A small gift to add to this, it would really mean a lot!
To help us do some repairs, to our much-loved home,
To put on our final mark and make it all our own.

G8

More than just kisses so far we have shared, our home has been made with love and with care.
Most things we need we've already got, and in our small home we now can't fit a lot.
Our next wish once husband and wife, is to buy a house and enjoy married life.
We can't wait to see you on our wedding day, to enjoy all the special moments and party away!
But please, only IF you wish to participate, a donation of money would be ever so great.
And when we are sat in our home so new, we can look back and say it was all thanks to you.

G9

We really hope you can join us on our special day,
You'll make our memories complete in every single way.
We don't have a gift list and we know you'll understand,
Our house and contents are complete with pots and plates and pans.
But should you really want to give and celebrate this way,
A gift towards our honeymoon would really make our day.

G10

We've been together a few years and have a lovely home
There are not too many items now we don't already own

So, if your thoughts were on a gift your presence will suffice
But if you really feel the need a donation would be nice

The choice is really up to you, and we would like to say
We hope you come, enjoy yourselves and have a lovely day

G11

The most important gift to us is
having you share in our special day.
But if you wish to contribute in
some other way, we would love a few
pennies to put in our pot, for our
honeymoon trip after tying the knot!

G12

The most important gift for us is to have you share our special day
But should you wish to contribute in some other way
Then to help us on our honeymoon in our chosen paradise
A little extra spending money would be really very nice.

G13

Thank you for coming. We have one plea...
Please keep our ceremony camera-free.
Though our "I Do's" are unplugged, our reception is not,
Once we finish our first dance, you're free to take a shot!

G14

We haven't got a wedding list, the reason we'll explain,
is to save you all the hassle, as shopping is a pain.
We've been together for a while and have most things we need.
So, vouchers, cash or even cheques, we'd gratefully receive.
The choice is yours, so please don't fuss, the important thing we say
is that you're there to be with us on our very special day.
But if you'd like to contribute to our soft & cosy rooms,
our heartfelt thanks go out to you
...With Love the Bride & Groom!

G15

We've been together quite a while and have a lovely home,
There are not too many items that we don't already own.
So, if your thoughts were on a gift, your presence will suffice,
But if you really feel the need then vouchers would be nice.
The choice is really up to you and we would like to say
We hope you come, enjoy yourselves and have a lovely day.

G16

Please find within this poem, information just for you,
With some rules and regulations that we both insist you do.
Save the date of the *1st of May* is the very first thing to say,
To share the love and happiness, on our Wedding Day.
The second one is vital, if you're going to be our guest,
To eat, drink and be merry or do your very best.
The third rule can be broken, we really do not mind,
But if you choose to follow it, thank you for being kind.
A gift is not requested, your presence will suffice,
But if you really feel the need then money would be nice.
The choice is really up to you and we would like to say,
We hope you come and enjoy yourselves on our very special day.

G17

The love of family and friends
Bring happiness that never ends
Each one of you as guests we'll treasure

You'll fill our day with so much pleasure
While wedding presents are so nice
Your presence really will suffice
But if a gift is on your mind
Your contribution would be kind
We have a fund, please see below
Each welcome gift will help it grow
But the greatest gift is that you'll say
You'd love to share our wedding day

G18

The date has been set and we'd love you to come,
To our wedding in (place name), a long way for some,
All you must do, is decide what to wear,
Then polish your jewellery and comb up your hair.

Don't worry about gifts, don't buy us a yacht,
The things that we need, we've already got.
Our home is quite compact, we may have to move
Then our storage and space will surely improve.

Don't go out shopping or get yourself stressed,
Don't alter your plans for a pre wedding rest.
If you want to be generous, despite what we've said,
Then save all the hassle and do this instead...

Don't know how to word this but will give it a shot...
Contributions are most welcome; we'll go somewhere hot!
A honeymoon would be marvellous, to start off our life,
In our long winding journey, as new husband/man and wife!

G19

We do not have a gift list as we already have everything we need - we just appreciate you coming to celebrate with us.

G20

We've lived together quite a while, and all the bills are paid,
We've got our plates, our pots and pans, our plans have all been made.
To celebrate our wedding, you may wish to buy us presents,
However, this is not required, all we want is your presence.
We know it's not traditional, and it's not the way it's done,
But instead of having a wedding list, we'd like a bit of sun!
So, if you'd like to give a gift, To help us celebrate,
Some money towards our honeymoon, would be absolutely GREAT!!
Regardless of which choice you make, all we would like to say,
Is come along and have some fun, on this, our special day!

G21

We do not wish for presents, we hope you do not mind,

We haven't got a gift list, there's nothing we could find.

Your presence at our wedding, will give our day a lift,
Your company is priceless, we accept it as our gift.

G22

As our special day draws near, we hope our sentiment is clear
Our dearest wish is that you're there, and in our happiness will share.
Your presence is what matters most, not gadgets for our tea and toast
But if a gift is on your mind, a contribution would be kind.

We've a honeymoon fund, please see below, each welcome gift will help it grow.
So 'Thank you' is all that's left to say, we'll see you on our wedding day.

With Love the Bride & Groom

G23

We've been together quite a while, and have a lovely home
There aren't too many things that we don't already own
So, if your thoughts were of a gift, although that's very nice
There is no need for presents, as your presence will suffice
You are special to us both and so we'd like to say
We hope that you can join us on our wedding day!

G24

Please find within this poem, information just for you,
With some rules and regulations, that we both insist you do.
Save the date of **xxxxxx** is the very first thing to say,
To share the love and happiness, on our Wedding Day.
The second one is vital, if you're going to be our guest,
To eat, drink and be merry or do your very best.
The third rule can be broken, we really do not mind,
But if you choose to follow it, thank you for being kind.
A gift is not requested, your presence will suffice,
But if you really feel the need then money would be nice.
The choice is really up to you and we would like to say,
We hope you come enjoy yourselves on our very special day.

G25

As our wedding day draws near
we hope our sentiment is clear.
We need you there as we are wed
to witness our love as vows are said.

But as for gifts, please, please don't try

to find the ideal thing to buy.
We have no list of pots and pans
just hopes and dreams and honeymoon plans.

So, if a gift is on your mind,
a contribution would be kind.
It will help us more than words can say
to celebrate our special day.
Thank you

G26

We know coming to our wedding will cost some money and take up a day,
And what we really want from you is to eat well, drink heartily and dance the night away.
Though if a gift for us is what is on your mind,
A contribution towards our honeymoon in **Hawaii** would be most kind.
That way we'll be thinking of you as we spend your moolah!
Whether snorkelling with turtles, climbing volcanoes or doing the hula!

We really hope you can make our big day – lots of love **Sarah & James xxx**

G27

We haven't got a gift list for all of you to see,
Because as you all know, we never can agree!
We know it's not traditional, and not the way it's done,
But rather than a wedding list, we'd love a bit of sun.
So, if you'd like to give a gift, and send us on our way,
A donation to our honeymoon, would really make our day!

Love the bride and groom

G28

We'd love for you to join us on our very special day,
To make our memories wonderful in every single way,
BUT...
We've been together quite a while and have a lovely home,
We've even got a toddler to call our very own.

Now we know it's not traditional,
It's not the way it's done,
But instead of a towel and toaster list, we'd rather have some fun.

So, if you're thinking of a gift, our honeymoon is planned,
(For a romantic break/trip to xxx
A contribution would be grand)
Or
(For a romantic break in New York
A contribution would be grand.

For a Staten Island ferry ride, a walk in Central Park,
Brooklyn Bridge, a Broadway Show,
Times Square lit up in the dark.)

But most importantly we request
You share our day as our special guest.

G29

Now we've made it official, that we are finally tying the knot,
having you there to share our day would really mean a lot.
We've organised the venue, the photographer and cake,
and when it's done and dusted, we'll really need a break.
If you would like to lend a hand, to help us on our way,
a token in our honeymoon pot would really make our day.

G30

We haven't got a wedding list, the reason we'll explain
Is to save you all the hassle as shopping is a pain.
We've been together for a while and have most things we need
so vouchers, cheques or cash would be gratefully received.
The choice is yours so please don't fuss, the most important thing
is that you come and be our guest and celebrate with us.
But if you do contribute to our soft & cosy rooms
Our heartfelt thanks go out to you
With love the bride & groom

G31

We have our dishes and towels for two,
Pots and pans and a toaster too,
Knives and forks and spoons galore,
There isn't much room for anything more!
So, if for our wedding you'd like to bring us a gift,
A cheque or cash would give us a lift,
Perhaps you could help towards our honeymoon spends,
Or when our home is in need of a mend,

Please don't be offended at this type of request
As our day will be complete with you as our guest.

G32

We hope that you can join us, on our special day,
you'll make our memories complete in every single way.
We do not have a gift list, we hope you'll understand,
our house and contents are complete with blankets, plates, and pans.
But should you wish to give a gift, we still have jobs to do,

and any money we receive would really help us through.
But most of all we do request, you attend our wedding as our guest,
to share with us our special day and have some fun along the way!

G33

If you're thinking of a gift
to help us on our way,
Some cash towards our house
would really make our day.
Don't go overboard or rob any banks,
any little thing will make us smile with thanks.
We hope you're not offended
by this type of request,
As our day will be complete
having you as guests.

G34

In a wedding invitation, you usually find some lists,
for venues, menus, and hotels and also for the gifts.
But this one is unusual, & comes in a different way,
We're not asking for presents, but for something else today.
Now please don't think we're selfish or that it comes from greed,
but we've lived together for a while, so there's not much that we need.
We would appreciate some help though, to send us on our way,
and allow us to have a honeymoon in a land quite far away.
So now the point of all this rhyme, the thing that we would like,
isn't towels, bowls, or microwaves, but pounds and pence alike.
Now you know the reason, behind the cheeky accord,
Please help to give us memories of a honeymoon dream abroad!

G35

We know it's not traditional and not the way it's done.
But instead of a gift list, we'd like a bit of sun!
We've been together for a while and all our bills are paid.
We've got our plates, our pots and pans, our plans have all been made.
We'd appreciate your help though, to send us on our way.
A contribution to our honeymoon, a cruise quite far away.
But mostly we want your company, to help make our day.
To eat, drink, be merry and dance the night away!

G36

We've been together quite a while, with all our pots and pans
And as we don't need homely gifts, we have another plan!
We know it's not traditional and not the way it's done
But rather than a wedding list we'd love a bit of fun!

So if you would like to give a gift and send us on our way
A donation to our weekend break would really make our day!

G37

Because at first we lived in sin,
we have the sheets and rubbish bin.
If a gift is what you would like to bring,
some money would be the perfect thing.
We hope that this won't cause offence
as in our case it makes perfect sense.
But most importantly we request
you come along as our guest.
To share with us our special day
and have some fun along the way.

G38

We'll soon be saying our vows, preparing to say 'I Do'
but when it comes to wedding gifts we just don't have a clue.
We do not have a wedding list for reasons we'll explain
as it saves you all the hassle because shopping is a pain.
So, what we'd really love, is donations big or small
to help us grow our holiday fund to the most magical place of all.
We hope you won't be offended by this type of request
because our day will be complete just having you as our guest.

G39

Our life together has already begun
We have almost everything under the sun.
If you were thinking of buying a gift
A little extra money would give us a lift.

But most importantly we request
You share our special day as our guest.
Now that we have saved you any fuss
We can't wait for you to celebrate with us.

G40

The most important gift to us is having you share our special day.
But if you wish to contribute in some other way,
we would love a few pennies to put in our pot,
for our very own home after tying the knot!

G41

The most important gift to us is to have you share our day
But should you wish to contribute, you can some other way.
You can help us on our honeymoon, in our chosen paradise
Where that little extra spending money, would be so very nice.

G42

We know it's not tradition, it's not the way it's done,
But instead of a wedding list we'd like a bit of sun.
We've lived together quite a while and all the bills are paid,
We've got our plates, our pots and pans, our plans have all been made.
We would appreciate your help though, to send us on our way,
A contribution to our honeymoon somewhere far away.
But, most importantly, we request, you come to our wedding as a guest.
To share with us our special day and have some fun along the way.

G43

We can't wait to spend our wedding day with you,
We've been planning hard and spending money for a good year or two.
As we're keen to start our married life in style,
An amazing honeymoon would really make us smile.
Instead of a gift list from a high street shop,
We'd really love some money so that on a beach we'll flop!
Your financial donation would truly mean a lot,
So thank you for contributing to our honeymoon pot!

G44

We know it's traditional to write a list, but in this case this is a slight twist.
Our home is complete with the usual stuff, and the things we have are all good enough.
Our dream is to honeymoon in a foreign land and walk along the beach hand in hand.
We hope you don't think of us as being rude, and that our request is not misconstrued,
but a small contribution to our honeymoon pot, would be appreciated such a lot.
But the most important thing to say, is that we hope you'll be there on our special day.

G45

With _____ by our side we've been a family for a while,
and our next big step is to walk down the aisle.
knives and forks and spoons galore,
there isn't much room for anything more,
so, if for our wedding you'd like to bring us a gift,
a cheque or cash would give us a lift.
Perhaps you could help towards our honeymoon spends,
or where our home is in need of a mend.
Please don't be offended at this type of request,
as our day will be complete with you as our guest.

G46

We hope that you can join us, on our special day.
Having you there will make it complete in every way.
Although we have no gift list, there is one thing we desire.
A honeymoon to _____ is what we most require.
So, if you wish to give a gift, it's money we would choose.
But most of all we hope, to share our wedding day with you!

G47

We've lived together a year or two,
we really don't need anything new.
Your presence as a guest, is all that we request.
But if you insist on giving a gift,
some pennies for our honeymoon
would give us a lift!

G48

We don't have a list of pots and pans
Just hopes and dreams
And honeymoon plans.
If giving a gift is on your mind
Then a contribution would be kind.
And just remember, what means the most,
Is that you're with us to raise a toast!

G49

As we are blessed with material things,
And all that living together brings,
Your presence as a guest is all that we request.

But if a gift is your intention,
We thought that we would mention,

What we would really like for our special day,
Is to top it off with a holiday!

We'd love some pennies to put together,
For a time away that we will treasure.

G50

The Bride & Groom would like to say, being at our wedding will make our day.
We have no need for pots and pans, just hopes and dreams for future plans.
So if a gift is on your mind, a contribution would be kind.

We will save this in our little pot, for our honeymoon trip after tying the knot.

G51

We do not have a wedding list or request for certain things,
We just want your company and the memories the day brings.
A gift of money would be lovely and appreciated by us,
But please do not feel pressured as this is really not a must.
The choice is really up to you, and we would like to say,
We hope you come, enjoy yourselves, and have a lovely day.

G52

Your presence without presents
is enough to make our day,
We haven't made a wedding list
of gifts, in any way.
Should you wish to give us cash,
we surely won't say no,
So, we can buy the things we like
to help create our home.

G53

If a gift is your intention,
we just thought that we would mention,
we'd love some pennies to rub together,
to save for something that we will treasure.
And just remember what means the most,
is that you're with us to raise a toast.

G54

As we're getting married, we thought it would be great,
To move into a brand new home — we really cannot wait!
As wedding gifts are bulky and we're a little short on space,
Some money would be the ideal gift to help us buy our place!

G55

If a gift is on your mind,
A contribution would be kind.
It will help us more than words can say,
To celebrate our special day!

G56

We are sending you this invitation

In hope you'll join our celebration.
If to bring a gift is your intention,
We would politely like to mention
We already have all the traditional house things
That we have accumulated before exchanging rings.
So rather than something we have already got,
We would be delighted with a contribution to our Honeymoon pot.
But our most important request
Is that you attend as our wedding guest.
